ADRC

HEALTHY COMMUNITIES SUMMIT

June 16-18, 2021

20+ YEARS STRONG!

The ADRC Healthy Communities Summit is in its 22nd year. Professionals from every corner of the human services world are coming to learn, network and play in a brand new way! In 2019, we welcomed 300 attendees who were working in the areas of aging and disabilities

STAND OUT AMONG THE CROWD!

As part of this virtual series, we offer exhibitors the opportunity to showcase their services to our audience during breaks between conference sessions. Exhibitors will have a 2-minute time slot to show an image or video highlighting their services to our unique audience.

UNPRECEDENTED EXPOSURE!

The ADRC Healthy Communities Summit brings professional diversity to one place — 300 attendees and 10 fields of interest!

- Aging
- Disability
- Developmental disability
- Mental health
- Housing
- Transportation
- Public health
- Professional and organizational development
- Medicare
- Elder rights

CONNECT AND NETWORK!

Our virtual conference setting allows you to display your information and interact with participants online. The best part? You don't have to be present for the whole conference. Your contact information will be displayed throughout the conference, and participants can reach out to you.

EXPAND YOUR REACH!

This isn't your run-of-the-mill conference. You'll have access to professionals from across the human services spectrum and the state. Introduce your brand to professionals who may never have heard of it. Get leads you otherwise would have never obtained. Be bold.

CONTACT US!

Need more information about the conference? Contact Renae Brown at renae.brown1@dhs.ga.gov or call **470-893-3067**. Don't wait! Exhibit space is limited. Contact us now to ensure you are able to take full advantage of this opportunity!
