

ON-LINE DIRECTORY FOR AAA PROVIDERS OF POINTS OF CONTACT IN THE COMMUNITY SERVICE BOARD (CSB) NETWORK FOR QUESTIONS REGARDING RESOURCES FOR SOMEONE 60 OR OLDER

In keeping with the goal of strengthening Georgia's System of Care for older adults who have a mental illness and enhancing collaboration between Aging Services and public BH system providers at the local level, the Georgia Coalition on Older Adults and Behavioral Health (GCOABH) continues to direct efforts toward expanding each system's awareness of resources and services offered by the other.

In order to help Aging Service providers navigate the public BH Community Service Board (CSB) system when they have a BH related question regarding someone age 60 or older they are serving who has a mental illness, this on-line directory of points of contact in the CSB network was created to assist them identifying someone at the CSB they can collaborate with..
